Hi Daniel:

We did receive an email from Mr. Hopper on Tuesday (1/21) letting us know that he would be shipping his device to us, and we subsequently received his device yesterday. Our forensics team is currently in the process of imaging the device and we should be able to provide the requested information once completed. We will keep you posted.

Regards,  
Ken

Hi Ken,

Hope this finds you well. We received an email from Mr. Hopper last evening stating that he has finally provided his current mobile device to you all. Are you in receipt of this device? If so, have you been able to access it and/or is there any information recoverable on that device? Any color would be very helpful.

Thanks,

Dan
